General information on residence permits for real estate owners in Greece

Residence permits in Greece.

A residence permit is any documentation issued by the Greek authorities, according to which a third country citizen is given the right to reside legally within Greek territory, in accordance with the provisions of the European Union (Regulation 1030/02 as applicable). Different categories of residence permits exist, as well as different types of permit within each category. Employment rights depend on the type of permit issued. Applications for the granting and renewal of residence permits are submitted directly to the municipality or the relevant authority of the Aliens and Immigration of the Decentralised Authority in the applicant's place of residence, apart from certain specific types of residence permits for which applications are submitted to the Department for Migration Policy at the Ministry of the Interior.

Residence permits for real estate owners and who they apply to.

A residence permit for real estate owners is a new type of residence permit, for third country citizens who have entered the country legally on any kind of visa (type D or C) or are legal residents in the country, even if the residence permit they hold does not allow for change of residence scope.

Beneficiaries of the right of entry and the permanent residence permit, which shall be renewed every five (5) years, are:

- a) **third country citizens** who own real estate property in Greece, either personally or through a legal entity of which they own the total of the company shares, provided the minimum value of the property is €250.000;
- b) **third country citizens** who have signed a timeshare agreement (lease) – for a minimum of 10 years – for hotel accommodations or furnished tourist residences in integrated tourist resorts according to article 8, paragraph 2 of Law 4002/2011 (Government Gazette 180 A'), provided the minimum cost of the lease is €250.000;
- c) **third country citizens** who either reside legally, with a residence permit, in Greece, or wish to enter and reside in the country, and who have full ownership and possession of real estate property in Greece, which they have purchased before the enactment of law 4146/2013, provided that they had purchased the real estate property for a minimum of €250,000 or the current objective value of their real estate property is at a minimum of €250,000;
- d) **third country citizens** who fully and legally own real estate property in Greece, the minimum value of which is €250,000, and which they acquired through a donation or parental concession. A time share lease, according to the provisions of article 1 of law 1652/1986 is the commitment of the lessor to grant, each year, to the lessee, for the duration of the timeshare, the use of the tourist accommodation and to provide to them the relevant services for the determined period of time according to the contract, and the lessee must pay the agreed rent.
- g) **family members** of the third country citizens described above.¹

Preconditions for a residence permit for real estate owners in Greece.

The following conditions must be fulfilled to receive a permanent residence permit, which shall be renewed every five (5) years:

- a) The real estate property must be owned by and be in possession of its owners.
- b) In cases of joint ownership, where the value of the property is €250.000, the residence permit is only granted if the owners are spouses with undivided ownership of the property. In all other cases of joint ownership, the residence permit is only granted if the amount invested by each of the joint owners is at least €250.000.
- c) If the owner has acquired the property through a legal entity, the applicant must own 100% of the company shares.
- d) The residence permit is also granted in cases where the third country citizen is the owner, either directly or through a legal entity, of more than one real estate property with a combined value of at least €250.000.
- e) In cases where the applicant wants to enter the country with a type D visa, the documented intention to own property should be supported by documentation which prove the financial capacity (e.g., certificate of an A-class certified bank, or other recognised financial institution), which certify the existence of bank accounts or other mobile assets, such as bonds or shares, which can cover the cost of the investment of at least €250.000, and which certify the intention of the applicant to purchase the property (contract with a law firm or with a real estate office).

¹ According to the law, family members of third country citizens entering the country are:

- a. Spouses
b. The direct descendants of the spouses, who are under the age of 21.
c. The direct relatives of the spouses in the ascending line.

f) In the case of third country citizens who have signed a lease of at least 10 years for hotel accommodations or furnished tourist residences in integrated tourist resorts, provided the minimum value of the lease is €250.000, the contract must require a single payment of the lease for the equivalent of the ten year leasing of the property.

In all cases outlined above, the value of the real estate property will be determined based on the value of the property, or the lease, indicated in the contract of purchase. The value of the property, according to law 4251/2014, is the amount stated explicitly on the contract which has been submitted for the purchase of the real estate property. The objective, or assessed, value of the property is not relevant, unless it corresponds to the amount which was, according to the contract, paid for the sale of the property.

Entry Visa requirement to obtain a residence permit for real estate owners.

An entry Visa, that is, legal entry in the country, is necessary to obtain a residence permit for owners of real estate property. Following the issuance of a residence permit, and for its duration, there is no need for a Visa. Pursuant to Law 4251/2014, any third country citizen who has entered the country legally holding a visa of any type or is a legal resident of the country irrespective of their status or type of residence permit, has the right to apply for a residence permit.

Duration of the residence permit for real estate owners.

This residence permit is permanent.. The holder of the residence permit is however required to renew it every five (5) years.

Renewal of residence permits for owners of real estate - Preconditions.

The residence permit shall be renewed every five (5) years. To renew the residence permit, the following conditions must be met:

- **The real estate property must remain in the full ownership of the applicant.**
- **The relevant leases/contracts must be ongoing.**

Absences from the country do not impede the renewal of the residence permit. The resale of the real estate property, during the period when the residence permit is valid, to another third country citizen provides to the new owner the right to a residence permit along with a simultaneous revocation of the seller's residence permit.

Step 3: Submitting the documents

Applications for the residence permits must be submitted to the one-stop service of the Alien and Immigration Department at the Decentralised Authority where the property of the interested party is located. For more information on your case, please contact the one-stop shop of the Decentralised Authority where the property is located.

Step 4: Procedures until the final issuing of the permit

Upon arrival

A third country citizen who intends –and has the necessary supporting documentation– to own real estate property or to lease hotel accommodations or furnished tourist residences and has entered the country legally, is required to complete the required actions to apply for the residence permit before the expiry of the entry visa. In this case, the prospective applicant is able to undertake legal acts and transactions with the competent authorities, using their entry visa.

Application process

The submission of the application for the issuance of the residence permit, the submission of additional documentation, the receipt of the residence permit or of a rejection, or any additional documentation from the relevant file, can be done either in person by the third country citizen, or through a proxy. Third country citizens who have never entered Greece are not allowed to submit an application for a residence permit via a proxy. The applicant is allowed to enter the country, to assign their representation to a lawyer, either with a proof of authenticity of their signature issued by any public authority or with a notarized power of attorney, and then depart from the country and not be present during the submission of the application for a residence permit and/or the granting of the relevant permit.

Consequently, it is possible to submit the application via proxy, under the condition that the person submitting the application also submits either an original passport of the third country citizen or a copy or a true copy of the passport certified by a lawyer. It is possible, in the same way, to receive the certification that the application has been submitted, as well as the residence permit. The relevant provision will be valid until the establishment of an independent document which will replace the unified type of residence permit. For the submission of the independent document, the presence of the third country citizen will be necessary, because of the requirement to obtain biometric data.

The documentation outlined in the previous steps should be attached and submitted with the application.

Documentation check

The authorities receiving the application will issue a confirmation that the application has been submitted, provided that all the necessary documentation has been submitted with the application. This confirmation is valid for one year and it constitutes an evidencing document until the residence permit is issued.

Application processing timeframe

The owner of the real estate property is not affected by the duration of the processing of their application, from the moment the application is submitted to the relevant authorities until the issuing of a decision by the Secretary General of the Decentralised Authority regarding their residence permit. After the application has been submitted, the applicant receives a receipt confirming the submission of the application, which is valid for one year. The time required to process the application depends on the authority where it has been submitted yet it may not exceed two months after all the necessary documents have reached the competent authority.

Provisions during the application processing period

The third country citizen, who has submitted an application and received the confirmation receipt described above, can reside legally in the country for the duration of the confirmation receipt (one year). The holder of the confirmation receipt is entitled to the benefits of the residence permit that they have applied for. Hence, they can proceed with any legal transaction regarding their investment and can transact with all the relevant authorities.

Issuing of the decision

Once the authority of Aliens and Immigration of the Decentralised Authority has verified that the application fulfils all necessary conditions and, in accordance with the decision of the Secretary General of the Decentralised Administration, they will issue a five-year residence permit.

Procedure for residence permits for family members.

According to the information above, third country citizens can be accompanied by their family members, who will be granted the appropriate entry Visa. Members are:

- a. Spouses.
- b. The direct descendants of the spouses, who are under the age of 21.
- c. The direct relatives of the spouses in the ascending line.

Family members have the option of entering the country at a later date from the applicant, from whom they draw their residence rights.

These family members are issued with a residence permit of the same duration as the applicant, but this permit does not include access to employment.

The children of the applicant, who have been originally admitted to the country under the terms and requirements of residence permit for property owners, are issued with a residence permit for family reunification until the age of 21. After that, it is possible to acquire a renewal as an independent residence permit until they reach the age of 24 and then it is possible to renew it further according to pertinent immigration legislation.

The renewal of the residence permit requires different documents, including:

- **Certification by an insurance agency** for the cost of hospitalisation and medical care. To certify that this condition is fulfilled, the following are accepted:

Frequently Asked Questions

**Is it necessary to hire a lawyer to collect the documentation?**

There is no legal requirement to collect and process the documents through a lawyer. In cases where the applicant does not speak Greek and / or is located outside of Greece, it may be preferable to ask for the support of a legal representative or proxy who is in Greece, to facilitate the process.

Who is considered a family member?

According to the law, family members of third country citizens entering the country are:

- a. Spouses.
- b. The direct descendants of the spouses, who are under the age of 21.
- c. The direct relatives of the spouses in the ascending line.

Can my relatives in the ascending line (namely my parents and my spouse's parents) or my children who are over the age of 18, accompany me (in cases of real estate ownership in Greece), and be included in the family provision? What about the children who turn 18 during the period when their parents' residence permit is valid?

Ascendants are included in the provision above but not children over the age of 21. Children of third country nationals, who have been admitted to Greece under the terms and requirements of residence permit for property owners, are granted a residence permit for family reunification until the age of 21. After that, it is possible to acquire a renewal as a 3-year independent residence permit until they reach the age of 24 and then it is possible to renew it further according to pertinent immigration legislation.

Are unmarried partners entitled to a residence permit?

Family members do not include unmarried partners.

Can I travel to other countries within the EU with the residence permit for owners of real estate? Are there any conditions related to this?

Yes. The residence permit and long-term visas are valid as far as the free movement of the person in the Schengen area is concerned. Any citizen who holds a long-term visa (such as the residence permits for real estate owners) which has been issued by a member state and are valid for one year, are able to travel to other member states for up to 3 months within a

six month period, under the same conditions which apply to the holder of a residence permit, while they are also granted a right for multiple entries.

Can the residence permit be considered as a work permit? Can my spouse, the legal representative of my company, my children, or myself, work in Greece?

In no case does the residence permit provide access to any type of employment. Employment, according to paragraph 6, article 20, of Law 4251/2014, does not include the exercise of economic activity in the capacity of a shareholder or a Chief Executive Officer. The family members that have been issued a residence permit for the same duration as the sponsor are similarly not granted access to the employment market.

Does the residence permit give me the right to apply for citizenship?

This title is not included in the titles that allow direct access to the acquisition of Greek citizenship by naturalization; it simply allows its holder to access long-term residence status, such as the status of the long-term resident, which is a qualification required for naturalization. In order for a person to obtain a residence permit of a long-term resident the conditions of Articles 89 and 90 of L. 4251/2014 must be cumulatively met. .

Does the amount of €250,000 include the Value Added Tax? What should the value of the investment be if the ownership / sale document include the name of both spouses?

The amount of €250.000 refers to the price indicated on the contract. In cases of joint ownership of the real estate property by spouses, the residence right is granted to both spouses.

Can I obtain more than one piece of property, the individual value of which is less than €250.000, if the combined value is equal or greater than € 250.000?

You are entitled to residency rights irrespective of whether you own one or more properties, provided that their combined value is equal to or greater than €250.000.

Can I buy commercial property or a combination of commercial and residential properties or land?

The law states that €250.000 must be the stated price on the contract. It does not distinguish between commercial and residential properties.

Are there any restrictions that apply to the real estate market? (e.g. location, size in square meters, or other factors).

There are restrictions on properties located in border regions. It should be noted that as border regions are defined the prefectures of the Dodecanese, Evros, Thesprotia, Kastoria, Kilkis, Lesvos, Xanthi, Preveza, Rodopi, Samos, Florina, Chios, and the islands of Thera and Skyros, as well as the former regions of Nevrokipi in the former prefecture of Drama; Pagoniou and Konitsas in the prefecture of Ioannina; Almopia and Edessa in the prefecture of Pella; and Sintiki in the prefecture of Serres.

Individual or legal entities, which are affected by the restrictions above, can request the lifting of the ban for the border regions, along with their application, which should clearly state the intended use for the property. The decision to lift the ban is made by the Minister of Defence, following the submission of an application.

Can I travel in Schengen countries directly, after my residence permit has been issued, from my country, or do I need to first come to Greece?

You can arrive to any Schengen country you wish to.

What is the arrangement regarding the access to education and health services? Can the children of the residence permit holder attend a Greek public school?

The holders of the residence permit have access to public education, analogously to that of Greeks. Regarding access to health services, third country citizens and their family members who fall under the regulations of the current law, must have insurance that covers their healthcare and medical care expenses. To prove this condition, the following documents are accepted:

- i. Insurance contracts which have been signed outside Greece, provided they explicitly mention that they cover the applicant for the duration of their stay in Greece
- ii. Insurance contracts which have been signed in Greece

Can I purchase a car with Greek license plates for my transportation needs in the country?

Yes, under the specific regulations of the Ministry of Transport, which apply to third country citizens.

Can I take a mortgage out on the property in order to receive a loan?

You can take a mortgage out on the property, in the same way as Greeks.

Is it required of the buyer to prove economic capacity?

The income of the applicant must be proven by documentation which proves their capacity (e.g. Certificate by class-A recognised bank or an official financial institution or other recognised institutions to store bonds) and certify the existence of bank accounts or other transferable securities, especially shares or bonds (the above are checked for the issuance of a type D visa). In all cases, before the contract, the price of the real estate is paid via a crossed bank cheque or through another banking transaction.

If 8 third country citizens jointly buy a property for €2.000.000, are all the joint owners entitled to a residence permit?

Yes, provided that the amount invested by each one is €250.000.

What happens in the cases where someone tarnishes their criminal record, either in their country of origin or in Greece, during the period of when their residence permit is valid?

This leads to the revocation of the residence permit.

If someone holds a long-term Visa for a different Schengen country, does this Visa need to be cancelled to obtain a visa in Greece?

A Schengen visa by a different country gives the applicant the ability to enter Greece and settle issues regarding the purchase of the property.

Does the residence permit continue to be valid if the real estate property is transferred/reselled?

In cases when the real estate (property) is transferred, the third country citizen loses the right to residence. In case of resale of the property during the period of validity of the residence permit to another third country citizen, the right to a residence permit is granted to the new buyer along with a simultaneous revocation of the seller's residence permit.

Is it possible to rent the real estate property to third parties?
